

INSPIRE AND TRANSFORM: EMPOWERING LEADERSHIP

August 26th, 2025, at the Henry Hood Center for Research

A conference hosted by:
*The Center for Faculty and Professional Development
and Human Resources, Organizational Development and Learning*

Target Audience: Academic, Clinical, and Operational Leaders throughout the Geisinger Health System

Goal: To equip and inspire participants to elevate their foundational leadership skills and develop a personal vision for effectively driving change and transformation.

Objectives:

1. **Elevate Leadership Skills:** Provide participants with advanced tools and techniques to strengthen their leadership capabilities.
2. **Cultivate Personal Vision:** Encourage attendees to develop a clear and compelling personal vision for leading change.
3. **Drive Effective Change:** Equip participants with strategies to effectively implement and sustain transformative initiatives.
4. **Foster Innovation:** Inspire creative thinking and innovative approaches to leadership challenges.
5. **Build Collaborative Networks:** Facilitate connections among leaders to share insights and support each other's growth.
